5 Academic Misconduct by a Student

5.1 In some cases where an allegation of academic misconduct by a student undertaking coursework is brought to the attention of the relevant Head of Program, it may be
5.1 Determined that the conduct of the student represents poor academic practice rather than academic misconduct.

5.2 In such cases, the relevant Head of Program may determine that while academic misconduct has not occurred, an informal response to the student's conduct is required, to educate the student on correct academic practice. Actions that can be taken under an informal response are:

a. warning
b. referral to English Language Resource Centre
c. resubmission of the assessment item without penalty
d. provision of additional material to support the assessment item
e. minor mark penalty (noting that where a student disputes the mark penalty, this will be dealt with as an appeal under this procedure in accordance with clause 7.27).

5.3 The relevant Head of Program may take action under an informal response as outlined in 5.2 at his/her discretion. A record of the interaction shall be kept by the Relevant Head of Program.

**Academic Misconduct**

5.4 Types and examples of academic misconduct by a student are shown in Table 5.1.

**Considerations when determining an Appropriate Response and Outcome**

5.7 The following considerations may be taken into account when determining an appropriate response and outcome to academic misconduct by a student undertaking coursework:

a. Whether the misconduct is considered important or of consequence to the assessment item in which it has occurred, also taking into account the nature of the misconduct and the context in which it is found

b. The extent of the misconduct in an assessment item
c. The proportion of the overall course mark represented by the assessment item
d. The nature of the course and the assessment item
e. The conventions associated with the particular academic discipline
f. The year or study level of the student
g. The language proficiency of the student
h. Any relevant individual circumstances of the student
i. Whether the student has previously been found in breach of academic conduct and is the subject of an entry on the Central Register
j. Any apparent intention to deceive by a student, and, if any
k. The level and effect of that intention.

6 Urgency Provisions

6.1 Where alleged academic misconduct by a student:

a. is the subject of investigation by the police or other civil authorities
b. may bring the College and its staff and students into disrepute
c. involves extreme harassment or vilification which breaches the Colleges policies and/or procedures
d. threatens the welfare or study of other students or staff, or
e. is otherwise considered to be serious enough to warrant immediate action,

a recommendation may be made to the General Manager that the following action be taken, pending the outcome of the investigation:

i. temporary block of the student’s IT access
ii. limitation of the student’s right of access to the College
iii. termination of the student’s right of access to the College, or
iv. immediate suspension of the student from the College.

6.2 The following officers may, after preliminary review, make a recommendation as detailed in clause 6.1:

a. Relevant Head of Program
b. Primary Investigation Officer
c. Chair of the Academic Misconduct Panel
6.3 Upon receiving a recommendation under clause 6.1 the General Manager or nominee of the General Manager may either:

a. accept the recommendation, impose a temporary block of IT access, limitation or termination of right of access, or immediate suspension, and, where appropriate, direct the officer that made the recommendation to refer the matter to the Academic Misconduct Panel as soon as possible and within a maximum of ten working days, or

b. not accept the recommendation for immediate suspension, limitation or termination of access, or temporary block of IT access, and refer the matter back to the officer that made the recommendation for further investigation in accordance with the normal procedure.

6.4 Where action is imposed under clause 6.3, the officer that recommended the action to the General Manager or nominee of the General Manager shall:

a. ensure that the student is served with a written notice of the temporary block of IT access, limitation or termination of right of access, or suspension, as a matter of urgency

b. refer the matter to the Academic Misconduct Panel for the service of an Investigation Notice, and

c. notify the relevant officers in writing.

7 Procedure for Managing Alleged Academic Misconduct by a Student

7.1 Staff members responsible for managing alleged academic misconduct by a student shall follow the process set out in this procedure.

7.2 This procedure provides a staged investigation for dealing with all allegations of academic misconduct by a student undertaking coursework:

Stage 1: Initial determination by relevant Head of Program

Stage 2: Conclusion of investigation by relevant Head of Program & Primary Investigation Officer (PIO)

Stage 3: Investigation by Academic Misconduct Panel

7.3 A student has the right to appeal a decision at any stage of the investigation. The process for appealing decisions is outlined in the Student Grievance Policy.

Primary Investigation Officers
7.4 Within the College, the Regulatory Compliance Coordinator, or the Director Legal and Governance hold the position of Primary Investigation Officer (PIO) for the purpose of managing alleged academic misconduct by a student undertaking coursework.

7.5 A Primary Investigation Officer is permitted to seek advice from the other Primary Investigation Officers during the investigation of alleged academic misconduct by a student undertaking coursework.

**Stage 1 – Initial Determination by Head of Program**

7.6 An assessor must bring an allegation of academic misconduct by a student undertaking coursework to the attention of the relevant Head of Program as soon as possible once it has been identified. The assessor shall provide the relevant Head of Program with relevant information and evidence relating to the allegation. If necessary, the relevant Head of Program may collect further evidence relating to the allegation.

7.7 The relevant Head of Program has the option to consult with a PIO at any stage outlined in 7.8 to 7.15.

7.8 The relevant Head of Program shall determine whether there is sufficient evidence that academic misconduct may have occurred.

7.9 If there is not sufficient evidence that academic misconduct may have occurred, the allegation shall be dismissed and no further action shall be taken.

7.10 If there is sufficient evidence that academic misconduct may have occurred, the allegation shall be investigated by the relevant Head of Program.

7.11 The relevant Head of Program shall discuss the allegation with the student and shall seek a student response to the allegation. If, after all reasonable efforts have been made to contact and discuss the allegation with the student, the relevant Head of Program has not been able to do so; they may proceed with the investigation without discussion with the student.

7.12 Based on the evidence collected, and the discussion with the student where this has taken place, the relevant Head of Program shall determine whether academic misconduct has occurred. The relevant Head of Program must make this determination as soon as possible and within a maximum of ten working days of having received the allegation.

7.13 The student should continue their normal academic work within that subject while the investigation is taking place, as failure to do so would disadvantage the student.

**Allegation Dismissed**

7.14 If the relevant Head of Program determines that academic misconduct has not occurred, the allegation shall be dismissed.
7.15 The relevant Head of Program shall advise the student that the allegation has been dismissed.

7.16 As per clause 5.1, in some cases the relevant Head of Program may determine that the alleged misconduct represents poor academic practice rather than academic misconduct, and may impose an informal response and outcome.

**Allegation Upheld**

7.17 If the relevant Head of Program determines that academic misconduct has occurred, the allegation shall be upheld.

7.18 The relevant Head of Program shall notify a PIO of the case.

7.19 The PIO shall create a record of the case on the Central Register. The Central Register records all cases within the College where academic misconduct has been found to have occurred, for the purpose of risk management and auditing.

**Appropriate Response and Outcome Determined**

7.20 The PIO shall check the Central Register to determine whether an entry exists for the student for any previous academic misconduct offence.

7.21 The relevant Head of Program and PIO shall determine the appropriate level of response and outcome, in accordance with clause 5.6. In determining the appropriate level of response and outcome, the relevant Head of Program and PIO may give consideration to the factors listed at clause 5.7.

7.22 If the relevant Head of Program and PIO determine that a low-level response is appropriate, they shall continue with management of the case in accordance with Stage 2 – Conclusion of Investigation by relevant Head of Program & Primary Investigation Officer.

7.23 If the relevant Head of Program and PIO determine that a medium-level or a high-level response is appropriate, the PIO shall refer the case to the Academic Misconduct Panel in accordance with Stage 3 – Investigation by Academic Misconduct Panel.

7.24 When referring a matter to the Academic Misconduct Panel, the PIO must:
   a. use the Referral of Misconduct Investigation Template to record full details of the case, including:
      i. a detailed explanation of the allegation
      ii. evidence supporting the allegation
      iii. result of discussion or interview with the student
      iv. the student's conduct history
      v. the recommended outcome
      vi. supporting materials
   b. update the record of the case on the Central Register
c. advise the student of the referral using the appropriate notice letter template.

7.25 A determination and response by the relevant Head of Program and PIO shall be made as soon as possible and within a maximum of ten working days of having determined that academic misconduct has occurred.

Stage 2 – Conclusion of Investigation by Head of Program and Primary Investigation Officer

Low Level Response

7.26 The relevant Head of Program and PIO shall determine the appropriate low-level outcome to be applied in accordance with clauses 5.6 and 5.7.

7.27 The PIO shall:

a. impose the outcome
b. update the record of the case on the Central Register
c. advise the student of the outcome using the appropriate notice letter template, and
d. advise the assessor and other relevant staff of the outcome, as necessary.

Appeal against Decision of Head of Program and Primary Investigation Officer

7.28 A student may appeal against a decision of the relevant Head of Program and PIO, only if the appeal is based on lack of natural justice or due process, or if there is new evidence that has not previously been considered.

7.29 An appeal by a student against a decision of the relevant Head of Program and PIO must:

a. follow the procedure outlined in the Student Grievance Policy;
b. state fully the reasons for the appeal, and
c. include any relevant documentary evidence to support the appeal.

Appeal Dismissed

7.30 If the General Manager determines that there are not sufficient grounds for the appeal, then the decision of the PIO stands. The General Manager shall:

a. advise the PIO to create a record of the case and appeal on the Central Register, and
b. advise the student and relevant Head of Program of the outcome using the appropriate notice letter template for the student.
7.31 A student may appeal against a decision of the General Manager only if the appeal is based on lack of natural justice or due process, or if there is new evidence that has not previously been considered. Refer to the Student Grievance Policy.

**Appeal Upheld**

7.32 If the General Manager determines that there are sufficient grounds for the appeal, then the General Manager shall follow the procedure as outlined in the Student Grievance Policy.

**Stage 3 - Investigation by Academic Misconduct Panel**

7.33 The Academic Misconduct Panel shall consider cases referred to it by the relevant Head of Program and the PIO.

7.34 The Academic Misconduct Panel shall comprise:

a. the General Manager or nominee as Chair, and

b. two staff members (appointed by the Chair) who are not involved with the teaching or assessment of the subject concerned.

7.35 A general staff member appointed by the General Manager shall act as Secretary to the Panel. The Secretary, who is not a member of the Panel, shall assist the Panel in whatever way the Chair of the Panel directs.

7.36 The Academic Misconduct Panel shall meet to consider the evidence of the case and interview the student and any other persons relevant to the case. The Panel shall conduct the meeting in accordance with Section 8, Investigation Panel Procedures.

7.37 Based on the evidence considered and the interview with the student, the Academic Misconduct Panel shall determine whether academic misconduct has occurred.

**Allegation Dismissed**

7.38 If the Academic Misconduct Panel determines that academic misconduct has not occurred, the allegation shall be dismissed.

7.39 The Academic Misconduct Panel must:

a. advise the PIO to update the record of the case on the Central Register, and

b. advise the student and relevant Head of Program of the outcome using the appropriate notice letter template for advice to the student.

**Allegation Upheld**

7.40 If the Academic Misconduct Panel determines that academic misconduct has occurred, the allegation shall be upheld.

7.41 The Academic Misconduct Panel shall then determine the appropriate level of response and outcome, in accordance with clause 5.6. When determining the
appropriate level of response and outcome, consideration may be given to the factors listed in clause 5.7.

7.42 The Academic Misconduct Panel determines whether a Low-Level, Medium-Level or High-Level response and outcome is appropriate and shall:

a. impose an outcome

b. advise the PIO to update the case and outcome on the Central Register accordingly, and

c. advise the student and relevant Head of Program of the outcome using the appropriate notice letter template for advice to the student.

Appeal against Decision of Academic Misconduct Panel

7.43 A student may appeal against a decision of the Academic Misconduct Panel, only if the appeal is based on lack of natural justice or due process, or if there is new evidence that has not previously been considered.

7.44 An appeal by a student against a decision of the Academic Misconduct Panel must:

a. follow the procedure outlined in the Student Grievance Policy;

b. state fully the reasons for the appeal, and

c. include any relevant documentary evidence to support the appeal.

7.45 The Director Legal and Governance or nominee shall consider the case put forward and evidence provided by the student to support the appeal.

7.46 The Director Legal and Governance or nominee shall determine whether there are sufficient grounds for the appeal as soon as possible and within a maximum of ten working days of having received the appeal.

Appeal Dismissed

7.47 If the Director Legal and Governance or nominee determines that there are not sufficient grounds for the appeal, then the decision of the Academic Misconduct Panel stands. The Director Legal and Governance or nominee shall:

a. advise the PIO to update the case and outcome on the Central Register accordingly, and

b. advise the student and the relevant Head of Program of the outcome using the appropriate notice letter template.

7.48 The student has no further opportunity to appeal the decision within the College.

Appeal Upheld
7.49 If the Director Legal and Governance or nominee determines that there are sufficient grounds for the appeal the case is reviewed by the Director Legal and Governance for consideration.

**Termination of Investigation Proceedings**

7.50 Any student misconduct investigation proceedings, including appeal proceedings, may be suspended by the General Manager if the student ceases to be enrolled at the College.

7.51 If student misconduct investigation proceedings are suspended under rule 7.50, the General Manager shall advise the student that:

a. they have no automatic right to return to the College, and

b. if they apply for re-enrolment, they shall not be re-enrolled until the student conduct investigation proceedings are completed.

7.52 The General Manager shall ensure that the record of the investigation on the Central Register is updated accordingly.

**8 Investigation Panel Procedures**

8.1 The procedures set out below must be followed by the Academic Misconduct Panel when conducting an investigation of alleged academic misconduct by a student.

**Membership of Academic Misconduct Panel**

8.2 Both genders must be represented.

8.3 A person may not sit on the Panel investigating an allegation of misconduct where that person has previously been involved with the allegation or there is, otherwise, a potential conflict of interest.

8.5 If during the currency of an investigation or appeal a member of the Panel becomes unable (through illness or any other cause) to act for a period that would unduly delay the completion of the investigation, the Panel may complete its investigation or appeal in their absence as long as at least two other members are still able to act.

**Referrals to the Academic Misconduct Panel**

8.6 Matters shall be referred to the Academic Misconduct Panel using the Referral of Misconduct Investigation Template. Referrals must include full details of the case, including:

a. a detailed explanation of the allegation

c. result of discussion or interview with the student

d. the student’s conduct history

e. the recommended outcome

f. supporting materials

Service of an Investigation Notice

8.7 Where a matter has been referred to the Academic Misconduct Panel the Secretary of the Panel must serve the student with a written Investigation Notice as soon as possible and within a maximum of ten working days of the referral.

8.8 An Investigation Notice served under clause 8.7 must include:

a. details of the allegation

h. advice that, if the student chooses not to attend, the matter shall be determined in their absence.

8.9 A notice may be served on a student under this procedure either:

a. personally within the College or elsewhere (e.g. at their residence), or

b. by SOLSMail and post addressed to the student’s last known place of residence.

8.10 If a notice is served by way of SOLSMail and post, it shall be deemed to have been served on the student on the date on which it would have been delivered in the ordinary course of the post.

8.11 A copy of the notice served on a student under clause 8.7 must be provided to the PIO, for advice to other relevant officers of the College.

Investigation Panel Meetings

PR-UOWC-09.1/Rev 4 Procedure for Managing Alleged Academic Misconduct by a Student
8.12 The panel meeting should be held as soon as possible and within a maximum of twenty working days of the date of service of the Investigation Notice, unless the Chair of the Panel grants an extension to the student or more time is required to collect necessary evidence.

8.13 If a student wishes to submit documentation listed below in a, b, c, or d to the Panel, it must be provided at least two working days before the Panel meeting:
   a. a written statement of how they intend to respond to the allegations

**Conduct of investigation**

8.14 Where a student who has been given due notice chooses not to attend a Panel meeting, the Panel may investigate the matter or hear an appeal in the student's absence.

8.15 In conducting an investigation meeting, the Panel shall:
   a. give the student an opportunity to be heard
   b. explain the allegation to the student and give the student the opportunity to respond to the allegation
   c. with the permission of the student, make an audio recording of the interview between the panel and the student and attach to the Panel file
   d. give the Primary Investigation Officer bringing the complaint and/or any other staff member or student involved in the event(s) leading up to the complaint an opportunity to be heard;
   e. permit the student to be assisted by a support person
   f. at the discretion of the Chair, permit any person appearing before the Panel to be assisted by a support person
   g. permit any support person attending the meeting to provide advice to the student and to address the Panel in a summary statement only; the support person is not permitted to interview witnesses or to address the Panel directly during interviews

l. where there is reasonable concern by the Panel or any witness or participant in the proceedings that an individual’s safety may be compromised by contact with the student who is the subject of the allegation (e.g. where the student is subject to an Apprehended Violence Order), be entitled to allow the evidence to be presented without the student being present

n. in cases where the Panel finds that the complaint is proven, give the student the opportunity to be heard on the issue of penalty

o. hold all its proceedings in private, and

p. keep an adequate record of the Panel meeting proceedings.

8.16 Decisions of the Panel are made by majority.

8.17 Where multiple investigations of alleged academic misconduct by a particular student are taking place concurrently, the determination of an appropriate outcome for the latter investigation/s may be deferred until the determination of an outcome for the former investigation has been made.
