APPENDIX B - Version Control and Change History ........................................... 19
PART A: GENERAL INFORMATION

1 Purpose of Policy

1.1 This policy sets out UOW College’s (the College) rules and procedures about fees and refunds.

2 Scope of Policy

2.1 This policy applies to all students of the College, including prospective students, regardless of their funding source or payment method.

2.2 This document contains three parts:

a. Part A: general fees and refund information that applies to both domestic students and international students,

b. Part B: specific provisions that only apply to domestic students, and

c. Part C: specific provisions that only apply to international students.

2.3 There are different processes concerning fees for domestic students and international students to ensure the College’s compliance with relevant legislation and regulation.

2.4 Definitions for terms within this policy can be found in “Appendix A: Definitions” at the end of this policy.

2.5 This policy is to be read in conjunction with applicable legislative instruments including the ESOS Act and the Standards for Registered Training Organisations (RTO’s) 2015.

3 Fee Calculation and Notification

3.1 Prior to enrolment information on fees is set out in the offer letter.

3.2 Up-to-date tuition fees and other charges are notified to enrolled students via SOLS. SOLS is used by the College to communicate important information and should be accessed by current students regularly. Failure to do this may result in not receiving important information (eg. Fees Information).

4 Changes in Fees

4.1 Fees are reviewed annually by the College and published on the College website located at www.uowcollege.edu.au
4.2 Changes to fees payable by a student may occur with a change in a student’s enrolment, including through:

a. deferment of enrolment by a student to the following calendar year, or

b. a student transferring from one course to another course including change in mode of delivery or campus.

5 Due Dates and Payment Methods

5.1 All students must ensure that by the due date they have:

a. paid all fees, or

b. entered into a tuition instalment plan contract under clause 6.

5.2 The College calculates due dates as follows:

5.2.1 For students enrolled in English language courses that are:

a. 24 weeks or less in duration, students must pay the corresponding fee prior to the commencement of the course, or

b. greater than 24 weeks in duration, students must pay:

i. The amount equal to 50% of the corresponding fee by no later than the course commencement date, and

ii. The amount equal to the remaining 50% of the corresponding fee by no later than 14 days prior to the date the course recommences in the second study period.

5.2.2 All other students (other than those enrolled in English language courses, and those who have entered into a tuition fee instalment plan) the due date is census date for that session.

5.3 If a student is deemed to be excluded under the Course Progress Policy or the Vocational Course Progress Policy that student must pay all fees by the due date pending the decision of any appeal under the relevant policy.

5.4 Instructions for the method of payment of fees are provided on SOLS or the relevant fee statement. This information is also included in their offer letter.

5.5 The oldest fee or charge due date will receive the first allocation of any payment made by a student.
6 Tuition Fee Instalment Plan Contract

6.1 The College recognises that some students may experience difficulty paying full tuition fees by the due date. Students meeting eligibility requirements may be able to access a tuition fee instalment plan.

6.2 A tuition fee instalment plan contract is not available for students with:
   a. a history of unreliable payment of fees,
   b. international students that are enrolling in their first session of English language program or academic program, or
   c. outstanding fees or charges.

6.3 The tuition fee instalment plan contract:
   a. applies only in respect of tuition fees and cannot be applied to any additional fees or charges,
   b. specifies the amounts payable and the dates upon which those amounts must be paid, and
   c. must be signed by both the College and the Student.

6.4 A student may apply for a tuition fee instalment plan contract by making an appointment with a Student Advisor.

7 Penalties for Non-Payment

7.1 Where a student has an overdue debt to the College, or has failed to pay part or all of the fees by the due date, the College may, at its discretion, apply a range of penalties including:
   a. cancellation of enrolment including the loss of insurance cover under the College’s liability insurance for attendance at exams and classes,
   b. prevention of enrolment in current or any subsequent sessions,
   c. withdrawal of access to College and University of Wollongong (UOW) services (email, library etc.),
   d. restrict the release of official credentials and/or documentation,
   e. restrict the release of examination results,
   f. exclusion from award conferral/graduation,
   g. application of late fees, and/or
h. employment of a debt collection agency to recover outstanding debt.

8 Transfer of Credit Balances

8.1 A student may transfer all or part of a credit balance to UOW where the student has:
   a. successfully met English language or academic course requirements to UOW course,
   b. mistakenly paid UOW fees to the College, or
   c. received a revised unconditional offer to a UOW course.

8.2 No transfer charge is applied to transfer of credit balances to UOW.

8.3 For sponsored students, should a student receive approval to withdraw from a subject, any credit balances will be allocated to the next cycle or session of enrolment.

8.4 No credit balances will be transferred to another student.

8.5 Credit balances may be transferred to a course at another institution at the sole discretion of the College.

9 Eligibility for Refunds

9.1 Refund requests will be assessed by the College in accordance with clauses 9 and 10 of this Policy and:
   a. part B of this policy for domestic students accessing a FEE-HELP, VET FEE-HELP and HECS-HELP loan,
   b. part C of this policy for international students,
   c. clauses 11 and 12 of this policy in cases with special circumstances, and

9.2 The College will not provide refunds to students who have:
   a. paid their fees via a scholarship, or
   b. transferred credit balances in accordance with clause 8 of this policy.

9.3 A full refund of any unused portion of any pre-paid tuition fees will be provided by the College in the following circumstances:

incomplete information being supplied by the applicant, in which case the College reserves the right to retain 10% of the paid tuition fee,

b. the course or subject does not start within 7 days of its proposed start date,

c. the course or subject ceases to be provided by the College in full before it is completed, and the student is not able to be transferred to a suitable alternative course (the VET Tuition Assurance Scheme (TAS) applies to VET students in this circumstance. The College will notify the TAS operator that the course is no longer being provided),

d. the student is unable to start the course due and withdraws prior to the census date or the course commencement date for English language courses.

9.4 If a student fails to meet the College’s course progression requirements as outlined by the Course Progress Policy or the Vocational Course Progress Policy, and as a result is not permitted to re-enrol due to exclusion, the College will refund the tuition fees already paid by the student for the study period, or session, not yet commenced.

9.5 In cases where a student’s appeal against exclusion in accordance with the Course Progress Policy or Vocational Course Progress Policy is unsuccessful or the student has been excluded and does not lodge an appeal in respect of that decision, a total refund of pre-paid tuition fees will be paid for the excluded session or cycle.

9.6 In cases where an offer was made on the basis of fraudulent documents, the College reserves the right to retain the full fee.

10 Application for Refunds

10.1 All requests by students for refunds must be submitted to the College using the Refund Form, unless clause 10.2 applies.

10.2 For VET students, a request for refund will be deemed to have been submitted immediately upon the student ceasing to be enrolled in the VET unit of competency, or course, prior to the relevant census date.

10.3 Any refund request must be accompanied by documentary evidence satisfactory to the College supporting the student’s grounds for the request. Supporting documentation must be submitted with the application in English or in a certified and signed translation.

11 **Special Consideration**

11.1 If a student is unable to complete a course due to special circumstances, then the student may submit an application for deferment, refund, or remission of fees to be assessed by the College.

11.2 Special circumstances apply if the College is satisfied that the student is affected by an unforeseen event that:

a. was beyond the student’s control, which a reasonable person would consider not due to the student’s action or inaction, either direct or indirect, and for which the student is not responsible. The circumstances must be unusual, uncommon, or abnormal, and

b. did not make its full impact on the student until on, or after, the commencement of the subject in question, or on or after the relevant census date (for students in academic programs and VET accredited courses only) for that subject, and

c. means that it is impracticable for the student to complete the requirements for the subject in the session or intake during which the student undertook, or was to undertake, the subject.

11.3 Students whose circumstances prevent them from submitting an assessment task for a course by the due date or completing an examination for a course on the scheduled date do not qualify for refunds or remission of fees and should refer to the Student Handbook and Student Academic Consideration Policy for the relevant process.

12 **Application Documentation for Special Consideration**

12.1 Applications for special consideration must be submitted by the affected student to the College using the Refund Form within 12 calendar months of the day the unforeseen event occurred.

13.2 In the case of College default, the College will provide a refund to the student within 10 business days of notification of default.

13.3 Refunds will only be made in Australian dollar currency. Any applicable bank charges necessarily incurred by the College in paying a refund will be deducted from the refund balance prior to payment. The college will not be liable for bank charges.

13.4 Refunds will be paid by the College to the payee nominated by the student unless the student is less than 18 years of age, in which case the refund will be returned to the student's parent or legal guardian.

13.5 All refunds payable by the College will be paid via bank transfer.

13.6 For sponsored students, all refunds made in accordance with this clause 13 will be provided directly to the sponsor, unless alternative reimbursement arrangements are confirmed in writing by the sponsor.

14 Forfeiting Fees

14.1 The College will hold credit amounts in the student account for up to 24 months from the course commencement date for students who defer their offers or do not commence.

14.2 Funds in credit are allocated to future fees and charges unless a request for a refund or transfer of the credit balance is approved.

14.3 Any unused credit held in the student account after 24 months will be forfeited by the student and retained by the College.
