Choose a campus

With our global network of campuses and education partners, you can choose where you study your UOW degree.

Our global presence means you can gain your UOW qualification from one of many locations around the world. Our credit transfer arrangements also enable you to start your degree overseas and complete it in Australia.

Study in Australia

UOW's main campus is situated in Wollongong, with three additional metro campuses located in Sydney CBD, Liverpool and Sutherland.

Welcome to Wollongong

Located on the east coast of Australia, Wollongong is a student city and the ideal place for you to study. It's a diverse, safe and friendly city, filled with many languages, cuisines, religions and customs. A busy cultural calendar attracts people from all over the world who enjoy a healthy, active lifestyle.

3rd
largest city in NSW

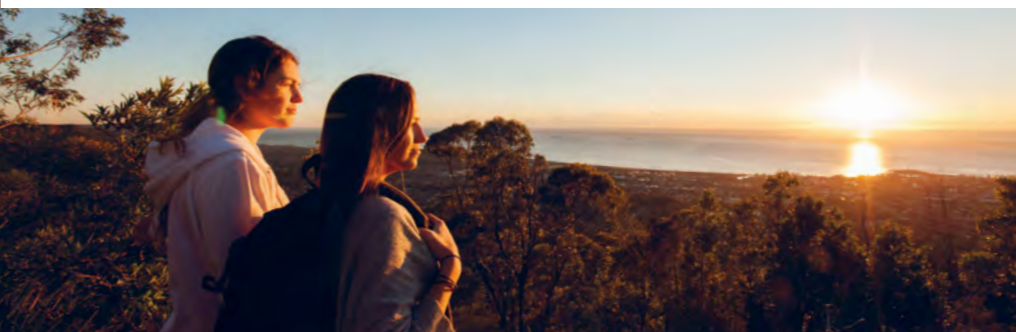

315,000+ people call the Wollongong region home.

35+
nature walks

From scenic coastal trails to challenging mountain hikes along the Illawarra Escarpment.

17
beaches

Patrolled by lifeguards September to April – with North Wollongong Beach patrolled all year round.

Make yourself at home

Just 90-minutes south of Sydney, Wollongong has the convenience of a big city with the ease of a small town.

GETTING AROUND

Once you arrive, your transport options around Wollongong are safe, easy and affordable.

Free buses

Wollongong is well-connected with buses going to all of the surrounding suburbs. Free 'city loop' buses run all day and into the night, making it easy for you to travel from campus and student accommodation to the city centre, train station and shopping district.

Train

North Wollongong Station is a 15-minute walk or a short free shuttle bus ride from UOW Wollongong.

Bicycle

UOW Wollongong has facilities including showers, change rooms, and secure bike lock-up. Bike racks are also conveniently placed outside buildings across campus.

Walk

Most destinations in the Wollongong CBD are within easy walking distance of each other.

Car

Paid parking on campus is available via the CellOPark app.

Cost

For any public transport in and between Wollongong and Sydney, you'll never pay more than \$18.70 a day or \$50 a week.¹

COMPARE THE COST OF LIVING

Being a student city, the cost of living is lower² than many Australian cities, including Sydney and Melbourne.

Eggs	\$6.00 – 12 regular
Bread	\$3.40 loaf
Cola	\$3.35 – 2L bottle
Coffee	\$4.20 on campus
Milk	\$2.25 – 1L
Apples	\$4.35 – 1kg
Rice	\$2.45 – 1kg
Rent	Median weekly rent ³ for 2-Bedroom apartment:
Wollongong	\$530
Liverpool	\$550
Sydney CBD	\$1,100
Melbourne Metro	\$560

1. Use an Opal Card to pay for trains, ferries, buses and light rail in Wollongong and Sydney. Top up and reuse these smartcard tickets and enjoy capped pricing when using public transport. Prices correct as of August 2024 and are subject to change. Some exceptions apply, see opal.com.au

2. Numbeo.com and Expatistan.com as of August 2024.

3. NSW Department of Family and Community Services Housing Rent and Sales Housing Victoria Rental Report March 2024.

A place to belong

From a hike in the mountains to a swim in the ocean, and everything in between, there's always something happening in Wollongong.

SEEK ADVENTURE

Go hang gliding at Bald Hill, experience skydiving over the beach, or zipline through the forest within the region.

ENJOY NATURE

Interact with native Australian animals at Symbio Wildlife Park, or enjoy one of many great hikes in the Illawarra, including Sublime Point and Mount Keira, and see the coastline stretch for miles.

Experience nature's playground of walks, beaches and waterfalls in the Royal National Park, located just 50 minutes north of Wollongong.

DINE OUT

Enjoy food and drinks with a view at one of the many cafes and restaurants overlooking the Tasman Sea in North Wollongong.

SEE A GIG

Wollongong is home to 20+ live music venues, including UOW's UniBar.

HAVE FUN

Experience what's on in Wollongong throughout the year, including the Sunset Cinema, Crown St Markets, festivals, pop-up events, live music and so much more.

WATCH SPORT

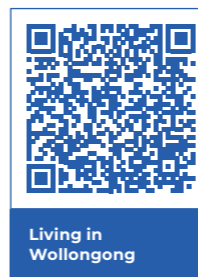

See the St. George Illawarra Dragons compete in the NRL or watch them slam dunk at an Illawarra Hawks basketball game at WIN Entertainment Centre.

BE ENTERTAINED

See a show at the Illawarra Performing Arts Centre, listen to a talk or take a workshop at the Wollongong Art Gallery.

MEET UP

There are more than 3,000 businesses in Wollongong CBD with new cafes and shops opening up all the time. You can also join one of many special interest Meet Up groups going on around the region.

Living in Wollongong

Innovation Campus

The future is being created at Innovation Campus, a 33-hectare research, development and commercial precinct. The campus houses national and international companies, researchers and students to develop and translate products into commercial successes.

UOW's groundbreaking Health and Wellbeing precinct will also be located at Innovation Campus. This will include Australia's first primary and community health clinic to offer patient-centred healthcare, mental health services, aged care facilities, research and teaching programs.

Innovation Campus

Wollongong campus life

UOW Wollongong is an open, vibrant and safe campus with everything you need to achieve your best. You'll instantly belong to a friendly university community with a wide range of facilities to help you succeed.

FIND FOCUS

Maximise your academic performance with online and print library resources, and study spaces designed to help you focus on your studies or collaborate with other students.

FUEL UP

You won't go hungry with seven places to grab a coffee, 20+ food outlets, the UniBar and a supermarket all conveniently located on campus. For even more options, take the free bus into Wollongong city centre.

JOIN A CLUB

With more than 100 clubs and societies covering everything from religion and culture to study groups and hobbies, it's easy to meet like-minded friends and have fun. Can't find a club you like? Why not start your own?

Your club, your experience at clubs.uow.edu.au

GET FIT

With your student discount, UniActive is the place to keep fit with state-of-the-art gym facilities, a 50-metre swimming pool, eight grassed playing fields and a variety of group exercise classes each week.

Stay fit with uniactive.uow.edu.au

HEAR LIVE MUSIC

Hosting internationally-renowned musicians, local bands, artists and comedians, the UniBar is the place to go for a great night out.

The UniBar is home to the famous hot chip roll and the place for students to relax at lunch or wind down after finishing exams.

Check out the upcoming gigs at unibar.uow.edu.au

GET INVOLVED

STAY HEALTHY

Take care of yourself with a pharmacy, physiotherapy, sports medicine, and counselling services all on campus.

FEEL SAFE

Our free SafeZone App and UOW Security team are here to help ensure we have a safe and secure campus environment.

Accommodation

UOW offers a range of accommodation options conveniently located on the campus, or nearby. With options for self-catered or catered rooms, you're sure to find the home that suits you.

UOW ACCOMMODATION

You'll make lifelong friends with students studying everything from politics to polymers when you live in a UOW residence.

It's a welcoming, ready-made community, with a calendar full of social, sporting and cultural events.

When you live on campus you will feel safe, secure and supported. Wellbeing support is available 24/7 from trained residence staff and student resident ambassadors. Building and room access is secured by individually-coded access keys, meaning that even in shared units, bedrooms can only be opened by the key-holder.

It's not surprising that students who live in our residences achieve higher academic outcomes on average than students choosing private accommodation.

HOMESTAY

For those who prefer a family-oriented lifestyle, Homestays (living with a local family in a private home) are available.

The program is Quality Endorsed by NEAS. This means you can be assured of consistent standards of student welfare, support services and consumer protection.

For more information see uow.info/homestay

PRIVATE ACCOMMODATION

UOW provides you with all the information you need about private and shared accommodation. Our dedicated accommodation web page also contains information on temporary accommodation you can use while you're looking for a place to live.

Bangalay B
Postgraduate students and non-recent school leaver undergraduates should consider Bangalay. Located across the road from Wollongong campus, Bangalay offers single and couples student apartments. Two and three-bedroom family units are also available, making Bangalay ideal for students who move to Wollongong with their partner or family. All rooms are furnished and self-catered.

Graduate House GH
Located directly across the road from the Wollongong campus, Graduate House offers a unique environment for postgraduate students. Graduate House is ideal for students who wish to live with their spouse or family while studying at UOW, and this independent living style makes Graduate House a sought after residence.

Kooloobong Village KB
Kooloobong Village is the ideal residence for students wanting to live independently, but still keen to be part of a community. All Kooloobong students have access to study and wellbeing support and enjoy an inclusive social life in a safe environment. Offering furnished shared units and single studio apartments, this self-catered accommodation is located on the Wollongong campus.

Campus East CE
Campus East is UOW's only student residence offering a choice of catered or self-catered units. Students can also choose to live in a furnished single unit or share a two, three, or five-bedroom unit with other students. This residence is only a short five-minute walk to Fairy Meadow Beach and a two-minute walk to the free shuttle bus.

I-HOUSE IH
Located only minutes from the Wollongong campus and North Wollongong train station, I-House is a great option for students wanting to live close to campus while studying. I-House features recently renovated facilities, indoor and outdoor dining areas, plus meeting and study rooms – everything you need to balance out your student life. I-House offers single rooms that are catered for 14 meals per week.

It's been really good that the University offers a lot of extracurricular opportunities, and other ways of learning outside of the classroom. As an education student, it's been really good to get involved with [children's learning research initiative] Early Start, so I can have that practical experience throughout my degree. I'm really enjoying studying at UOW.

Metropolitan campuses

Liverpool campus

UOW's metropolitan campus in Liverpool offers undergraduate and postgraduate degrees. The campus provides an experience that is specially designed to meet the needs of our students.

PERSONALISED STUDY

As a UOW Liverpool student you'll benefit from smaller class sizes and individual attention from your teachers who are leaders in their respective fields of study. This is a great opportunity to meet industry leaders and learn from the best.

TRANSPORT

Campus is only a four-minute walk from Liverpool railway station. The city boasts one of Sydney's first rapid bus T-way (transit way) systems, connecting you to other major areas around Sydney. The free community shuttle also stops just outside campus and is a great way to move around the CBD.

FACILITIES

UOW Liverpool is a vibrant and growing campus providing everything you need to make the most of your degree, including computer labs, nursing labs, student kitchens, a recreation space, an outdoor rooftop terrace, dedicated quiet study areas and a prayer room. All of this is located within walking distance to public transport and Liverpool's shopping district.

ARTS & ENTERTAINMENT

A short train ride will lead you to Casula Powerhouse Arts Centre, a multi-disciplinary space showcasing art, live performance and music. If that's not your style, try a local karaoke bar, comic book hotspot, The Comic Shop, or the Liverpool City Library.

FOOD

You don't need to go far to satisfy your appetite between lectures or tutorials with a variety of food outlets on almost every street. Spice up your lunch break with an Indian curry, grab some treats from an Afghani bakery or order some pizza or Thai food. If you prefer to bring your lunch, make the most of UOW's kitchen facilities on campus.

COFFEE

If you only have a five-minute break between classes, you can get a quick caffeine fix from several excellent cafes at the entrance to UOW Liverpool, or within easy walking distance.

SPORT & RECREATION

The City of Liverpool is home to several leisure and aquatic centres, well-maintained parks, riverside walkways and sporting facilities. Two of Sydney's most significant rivers – the Georges River and Hawkesbury-Nepean River – can be enjoyed nearby, with picnic areas and barbeque facilities to soak up the tranquil setting.

BACHELOR'S DEGREES

UOW bachelor's degrees offer you many options to focus on and combine interests. These degrees are often flexible, with a wide range of majors to specialise your studies. Many bachelor's degrees offer a double major option, or a broad range of elective subjects, allowing you to custom-build your own degree around your passions.

HIGH-ACHIEVER PROGRAMS

Our high-achiever programs offer you self-directed study and research opportunities. These programs may be integrated into your degree or taken as an additional year of study.

For more, visit uow.info/high-achiever

DEAN'S SCHOLAR (DS), SCHOLAR DEGREES (S) AND ADVANCED DEGREES

These degrees give high-achieving students opportunities to excel. Dean's Scholar, Scholar and Advanced Programs vary throughout degrees, with each offering either some – or all – of the following opportunities: an academic mentor, annual book allowance, exemption from some first year subjects, ability to fast-track the degree, access to academic workshops, seminars and networking events, and opportunities to participate in research enrichment activities. Scholars will have opportunities to tailor their studies to their interests, and may be able to accelerate their degrees.

HONOURS

Being granted Honours distinguishes a graduate as a high-achiever. Honours degrees are recognised as a qualification above and beyond a degree. An Honours project is a substantial personal study program, often in the form of an individual research project, which usually takes a year to complete.

At UOW, Honours is either integrated into a degree or taken as an additional one-year program after completing a bachelor's degree. See examples below:

INTEGRATED HONOURS	
4 YEARS Bachelor of Engineering (Honours)	
BACHELOR 3 YEARS Bachelor of Arts	HONOURS 1 YEAR Bachelor of Arts (Honours)

Entry requirements

COUNTRY-SPECIFIC ACADEMIC ENTRY REQUIREMENTS

UOW and UOW College Australia recognise secondary qualifications from more than 40 countries and education systems from all around the world, including GCE A Levels, International Baccalaureate and SAT. UOW College Australia can assess students who have completed the equivalent of Australian high school (Year 12) from places such as: China, India, Nepal, Vietnam, and more. Students who have completed an approved Foundation Studies or equivalent program may also be considered for direct entry to UOW.

Not sure about entry requirements from your country?

To find out more, simply submit an application and we will assess this for you or email us at uowcollege-admissions@uow.edu.au

ENGLISH LANGUAGE REQUIREMENTS

All students are required to meet the English language entry requirements specified for their course and provide evidence of their English language proficiency.

For full details go to

uow.edu.au/future/international/apply/english

Results in the major international English language tests are accepted, including IELTS, TOEFL, Pearson, and Cambridge. Tests are required to be taken within two years of course commencement for English language courses.

PREVIOUS STUDY IN ENGLISH

Applicants may meet the English language requirement based on successful studies in Australia or offshore where English is the language of instruction. With the exception of the HLT54121 Diploma of Nursing, please refer to specific English language requirements on page 31.

STUDY IN AUSTRALIA OR AUSTRALIAN QUALIFICATIONS OFFSHORE

Successful completion of the following qualifications are acceptable as meeting the University's English language requirement:

- Year 12 in Australia, or any Australian Year 12 qualification completed offshore;
- Foundation Studies, Certificate IV or Diploma with a minimum duration of one year (full-time) completed in Australia; or any of these qualifications completed at an Australian institution offshore;
- At least one year of full-time study toward a bachelor's or master's degree in Australia, or at an Australian institution offshore.

OTHER QUALIFICATIONS COMPLETED IN ENGLISH

Applicants may be considered as meeting the English language requirements if they have successfully completed two (2) years of secondary or tertiary study at an approved institution where:

- the language of instruction was English; and
- the institution is located in a country where the official language is English.

Academic transcripts and an official letter from the institution certifying that English was the sole language of instruction and assessment must be provided. Previous study in English is considered on a case-by-case basis and does not automatically meet UOW's English language requirement.

WHAT IS THE ENGLISH REQUIREMENT FOR MY COURSE?

The English requirement for each course is shown in the preceding course description pages. The requirements are shown in terms of the IELTS academic test requirements. For example, the English requirement for the Bachelor of Commerce is IELTS: 6.0 (R:6, W:6, L:5, S:5).

This means, to meet the English requirement for this course, a minimum overall score of IELTS 6.0 is required, with at least 6.0 in reading and writing, and 5.0 in speaking and listening bands.

The equivalent scores for overall and individual band scores in the TOEFL and Pearson Test of English (academic tests) can be determined by using the table below:

TEST	Overall	Reading	Writing	Speaking	Listening
IELTS	6.0	6.0	6.0	6.0	6.0
TOEFL	79	18	18	18	18
Pearson PTE	57	57	57	50	50
IELTS	6.5	6.5	6.5	6.5	6.5
TOEFL	88	20	20	20	20
Pearson PTE	64	59	59	59	59
IELTS	7.0	7.0	7.0	7.0	7.0
TOEFL	100	22	22	22	22
Pearson PTE	72	72	72	65	65

The English language requirement may also be satisfied by completing a direct entry English course with UOW College Australia (see page 31).

UOW recognises a number of other English language pathway courses offered by English language centres in Sydney, for details, email futurestudents@uow.edu.au

Admission & scholarships

UOW welcomes international students from around the world, so you instantly join a global community.

There are a range of scholarships available for international students to ease the financial pressure of your studies.

How to apply

APPLICATIONS ARE FREE OF CHARGE

You can apply online at apply.uow.edu.au

FEES

For international tuition fees, please see uow.edu.au/student/finances/international

Find an agent

For details of authorised UOW representatives worldwide, and for assistance with the application process, visit uow.info/agent-list or email futurestudents@uow.edu.au

Find an international agent

You're making a great choice when you apply to UOW. If you are based outside Australia, you may need to engage the services of a UOW international representative/agent* when applying for a course at UOW.

International applicants from certain citizenships who are required to undergo Genuine Student Assessment will need to apply through an agent, you can find a UOW authorised agent at: uow.info/agent-list

If your citizenship doesn't need to undergo Genuine Student Assessment, you can choose to apply through an agent or apply directly through our Apply Online portal.

If you are currently studying an Australian Year 12 qualification, New Zealand NCEA level 3, or International Baccalaureate Diploma (IBPD), you may choose to apply through the Universities Admissions Centre (UAC).

If you are interested in applying for Higher Degree Research (HDR) courses such as Research Masters or Doctor of Philosophy (PhD), you are encouraged to find a supervisor first, prepare your research proposal, then apply for admission. You can contact Future Students at futurestudents@uow.edu.au for further guidance.

The steps for applying through our online portal are mapped below.

Step 1

Submit an online application on our Apply Online portal

To set up your applicant profile, we will ask you to provide us with some personal information and your course preference. We recommend you look up your preferred course information on CourseFinder before starting an application.

Step 2

Prepare documents to support your application

As part of the application process, we may request supporting documentation such as your passport, completion certificate and transcripts for verifying your academic background, English proficiency test results, and subject description or syllabus if applying for Credit for Prior Learning (CPL).

Step 3

Submit application and receive a letter of acknowledgement

Once you have successfully submitted an application, you will receive a letter of acknowledgement.

Step 4

Receive an Offer of Admissions and clear offer conditions to validate your offer

If your application is successful, you will receive an Offer of Admission. Your offer may have conditions that you need to meet before you can validate your conditional offer into a full offer for acceptance.

Step 5

Pay deposit to secure your offer and exchange for Confirmation of Enrolment (COE)

You must submit the Fee Payable stated on your offer before a Confirmation of Enrolment (CoE) is issued to you for your student visa application.

Step 6

Apply for your student visa and plan your travel

All international students require a valid visa to study onshore in Australia which must be obtained before travelling to Australia.

*Visit uow.edu.au/study/international/representatives/ssvf-screening for more information on Genuine Student (GS) screening and assessment requirements.

Previous study in English[^]

Applicants may meet the English language requirement based on successful study in English in Australia, or offshore. Previous study in English is considered on a case-by-case basis and does not automatically meet UOW's English language requirement.

Previous qualifications must have been completed within two years of commencement at UOW.

STUDY IN AUSTRALIA OR AUSTRALIAN QUALIFICATIONS OFFSHORE

Successful completion of one of the following qualifications are accepted as meeting the University's English language requirement:

- Year 12 in Australia, or any Australian Year 12 qualification completed offshore;
- Foundation Studies, Certificate IV or Diploma with a minimum duration of one year (full-time) completed in Australia; or any of these qualifications completed at an Australian institution offshore;*
- At least one year of full-time study toward a bachelor's or master's degree in Australia, or at an Australian institution offshore.*

OTHER QUALIFICATIONS COMPLETED IN ENGLISH

Applicants may be considered as meeting the English language requirements if they have successfully completed two years of secondary or tertiary study at an approved institution where:

- the language of instruction was English; and
- the institution is located in the Bahamas, Barbados, Canada, Fiji, Ireland, Jamaica, New Zealand, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, Tonga, Trinidad & Tobago, UK or USA.

Academic transcripts and an official letter from the institution certifying that English was the sole language of instruction and assessment must be provided.

Visa requirements

As an international student you may have to meet the English language requirements based on your citizenship for visa purposes, as advised by the Department of Home Affairs. Please refer to homeaffairs.gov.au for more details.
