#### Course Fees

The total cost for the dual qualifications is \$23,500.80

The total fees are indicative and will be updated prior to course commencement. The fees you pay upfront or by instalment will depend on your student type, the availability of government subsidies or the availability of student loans in the commencement year.

### Course description

This qualification reflects the role of individuals who apply knowledge, practical skills and experience in leadership and management across a range of enterprise and industry contexts.

Individuals at this level display initiative and judgement in planning, organising, implementing and monitoring their own workload and the workload of others. They use communication skills to support individuals and teams to meet organisational or enterprise requirements.

They may plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse and synthesise information from a variety of sources.

### Course description

This qualification reflects the role of individuals who apply the skills and knowledge to pursue a range of roles within the Australian sport industry.

They work or volunteer at community-based sport clubs and organisations in the Australian sport industry.

Individuals with this qualification are involved in the self-directed application of knowledge and skills, and the provision of leadership and support to colleagues. They work autonomously and coordinate and supervise others.

- Possible job titles include:
- High performance coach
- Sport development manager
- Talent manager.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

Specific industry accreditation requirements may apply to sport-specific coaching accreditation and information should be obtained from the relevant National Sporting Organisation (NSO).
